Please find below a communication from the **EXAMINER** in charge of this application.

Commissioner of Patents.

This is a response to applicants' letter dated July 18, 2003. The Final Office Action, Paper No. 17, mailed April 9, 2003, in item 16 has set forth that said Office Action is made final. Since the Office Action mailed April 9, 2003 did indicate said Office Action is made final and applicants did not raise any question of the status of the Office Action in their response filed July 9, 2003. No new Office Action is deemed necessary. When applicants found the status in said Office Action is inconsistent with the Office Action Summary (Form PTO-326), applicants should call to the attention of the Office before the expiration of the period for reply. The period will not be restarted because applicants called to the attention of the Office after the expiration of the period for reply (See MPEP §710.06).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to S. Ip whose telephone number is (703) 308-2542. The examiner can normally be reached on Monday to Friday from 5:30 A.M. to 2:00 P.M.
